

HEAT PUMP REBATE APPLICATION

Please verify that the following requirements have been met before submitting this form

Rebate Requirements

1. Applicant must be a current member of an electric co-op participating in Wabash Valley Power's heat pump rebate program.
2. Qualified equipment must be installed and operable in applicant's single-family, owner-occupied residence located on co-op lines.
3. Rebates are for **replacement** equipment only (equipment to be installed must be new). Rebates cannot be paid for installations in new construction.
4. Member is eligible for as many rebates as qualifying electric HVAC systems located within their primary residence. For example, if a member has two electric heating systems they are eligible for two heat pump rebates. Multiple baseboard units in a home count only as one system.
5. All applicable fields must be completed on the form to receive a rebate (installation address is required).
6. **A copy of the invoice(s) for the new equipment must be stapled to the back of this form.** Invoice must be marked "paid" or show a zero balance. Invoice must show the manufacturer and model number of the unit(s) installed. If you are installing your own unit, you must provide a copy of the receipt for the purchase of the equipment showing the manufacturer and model number of the unit installed. If the manufacturer and model number are not located on the invoice or receipt, provide separate documentation that shows the manufacturer and model number of the unit
7. **A copy of the Air-Conditioning, Heating and Refrigeration Institute (AHRI) certificate and a copy of the heat loss/heat gain calculation must accompany the application.** Both should be obtained from the installing contractor.
8. Equipment must be purchased on or after **March 15, 2010**. The rebate form and invoices must be postmarked within 30 days of the product purchase or installation. Rebate is for equipment purchase only and does not include labor costs.
9. Total heat pump or geothermal rebates are limited to a maximum of 10 tons.
10. Please allow 6 to 8 weeks to receive your rebate. Incomplete rebate forms will not be processed. Rebate may be a check or bill credit at the sole discretion of your local electric cooperative.
11. Wabash Valley Power Association and it's member electric cooperatives reserve the right to change or terminate this program at any time without notice.
12. Completed and signed rebate forms with a copy of the paid invoice for equipment and proof of installation can be mailed or dropped off at your electric cooperative.
